## Significance

### Statement Of Significance

The Riverstone Police Station is an interesting late Victorian brick building, originally designed for use as a Lockup Keeper's Residence. This building retains much original fabric externally and contributes to the heritage streetscape of Riverstone. This building is also socially and historically significant for its long and continuous links to the police service in Riverstone and the surrounding area.

## Description

---

### Designer

Government Architect, WL  
Vernon

### Builder/Maker

### Physical Description

Updated

The Riverstone Police Station, was designed for use as a Lock Up Keeper's Residence in a typical late Victorian manner with face brick walls and a tiled hipped roof. This building still retains externally many of the stylistic features and details of its period, including turned timber verandah posts and rendered chimneys.

### Physical Condition

Updated 05/15/2006

### Modifications And Dates

The Police Station was originally designed in 1892 as a Lockup Keeper's Residence. It was converted for use as a Police Station in 1979.

### Further Comments

Materials Exterior: Brick, Tile

### Current Use

Police Station

### Former Use

Police Residence
